Our market leading College fabric is where AWDIs began and it continues to set the standard today.

Blending cotton and polyester in just the right proportions, it's crafted for durability, comfort, and long lasting decoration.

The cotton faced surface delivers superior print clarity, while the polyester blend ensures the garment holds its shape, even after repeated washes.

The result? Custom prints that stay bold, crisp, and vivid over time.

TOGETHER

When you pair our Print150/ Print180 and College fabrics, you get a full solution built around exceptional printability, consistent colour matching, and long lasting quality.

The ultra smooth Print150 / Print180 surface ensures sharp detail and vibrant designs, while the College fabric delivers durability and structure that holds up wear after wear.

Whether you're producing merch, uniforms, or custom apparel for events, these fabrics work seamlessly together to bring your designs to life and keep them looking fresh.
