QUADRA[®]

QUADRABAGS.COM

BUILT WITH PURPOSE FOR SS26.

This season introduces 13 meticulously crafted pieces that fuse Quadra's heritage of considered design with contemporary function. Refined silhouettes and elevated details come together to create accessories crafted for the rhythm of modern life. Finished with Quadra's hallmark durability and understated quality, this collection redefines purposeful style for the season ahead.

URBANSHIFT COLLECTION.

Engineered for the rhythm of modern movement, UrbanShift brings together refined utility and considered design. Lightweight yet resilient, each piece delivers quiet confidence through purposeful features, streamlined silhouettes and materials chosen for lasting performance. Built to transition effortlessly—from the pulse of the city to open-air escapes—the collection redefines everyday capability with a distinctly Quadra sense of elevated practicality.

WATERPROOF COLLECTION.

Engineered for environments where the elements take the lead, the Waterproof collection keeps essentials dry, protected and ready for anything. Durable coated fabrics, sealed construction and practical storage offer dependable reassurance across beaches, trails and everyday routes. Easy to clean, comfortable to carry and built for repeated use, this is reliable protection delivered with distinctive clarity and purpose.
